**HOT SUMMER Days**

The Summer vacation care program is designed around children’s requests and a need to ensure they have both structured and unstructured experiences. It has been a challenge to organise, as many venues are not yet accepting group bookings, and those that will seem to accept more than is safe in this current climate.

We have few officially programmed water play days throughout the program as we will be incorporating water play into each day if the children request it and weather permits. To enable your child to participate we ask that they pack a small towel and a change of clothes/bathers in a separate bag on days forecast 30 degrees or above. C1:I’ve Children will not be permitted to participate in any water activities without a rashie or sunsmart t-shirt .

Please help your child to stay protected from the sun by encouraging your entire family to be SunSmart by following the five Cancer Council recommendations:

1. Slip on sun protective clothing.

Loose fitting, close-weave clothing that covers as much skin as possible (e.g. sleeves, collars and longer shorts and skirts) is the best choice. No singlet tops and thin fabrics that do not block out sunlight.

2. Slop on some sunscreen.

Apply SPF 30+ broad-spectrum, water-resistant sunscreen 15-20 minutes before going outside.

It needs to be reapplied every 2 hours. Remember, sunscreen is only one way of protecting your child's skin from the sun.

3. Slap on a sun protective hat.

Encourage your child to wear a broad brimmed, legionnaire or bucket style hat whenever they go outside. Baseball caps are not recommended as they do not provide enough protection from the sun.

4. Seek shade.

Try to use shade whenever possible. UV radiation can reflect from surfaces such as water, sand and concrete so it is important to wear a hat, appropriate clothing and sunscreen even when in the shade.

5. Slide on some sunglasses.

Choose close fitting, wrap-around sunglasses for your child that cover as much of the eye area as possible. The sunglasses should meet Australian Standard 1067 and preferably be marked EPF (eye protection factor) 9 or 10. Sunglasses that are sold as toys do not meet Australian Standards and are not recommended.

Thank you for your continued help and support  
Sunscreen

Please ensure your child has had sunscreen applied as a part of their morning routine.

OSHC has a sunscreen station located by the mirror in the play room.

If your child has an allergy or particular needs regarding sunscreen could you, please supply their own named sunscreen.

## What we are doing and what you will need.

Date	Planned activities	Requirements	Additional information
Monday 14 <sup>th</sup> Dec	All of the children will travel to Princess Elizabeth Park on South Terrace to celebrate the first day of the Summer holidays. A picnic lunch will be provided	Recess Water bottle Sun smart hat	We recommend all children wear sports clothes and sports shoes

Monday 25 <sup>th</sup> Jan	Both groups: Get ready to return to school with crafts, games and cooking experiences.	Recess Water bottle Sun smart hat	Lunch provided

## IMPORTANT! PLEASE READ

Daily check list - Every day you will need:

- A small backpack or bag
- A healthy lunch and recess
- A drink bottle
- Sun smart hat
- Sunscreen applied

It is our aim at Parkside Community OSHC for us all to have a safe, enjoyable time together. To support your child while they are in OSHC please take note of the following information.

We can heat up food at lunch time, it must be placed in the fridge on arrival at the centre.  
**Any food requiring heating must be in a microwave safe container and labelled with your child's name.**

We request that sweets be kept to a minimum and strictly no nuts or nut products.

**It is essential that all children have their own 600ml or larger drink bottle.**

## Independence

To encourage independence, please print the program and daily information sheet for your child and put it on the fridge or notice board to help them prepare for the day.

### Children's clothing recommendations

Most of the days during the Summer holidays the children will be participating in active play. We recommend they wear sun protective clothing. C2: read Loose fitting, close-weave clothing that covers as much skin as possible (e.g. sleeves, collars and longer shorts and skirts) is the best choice. No singlet tops and thin fabrics that do not block out sunlight.

The Centre opens at 7:30am and closes at 6pm. We cannot accept children before the opening time and a late fee of \$2 per minute will apply per child after 6pm. If you are running late please ring the centre on 0456 813 261 to notify educators.

Booking forms returned to the Director either in person or by email by **Friday 4<sup>th</sup> Dec 2020**. Forms returned by this date are more likely to secure the requested days. Bookings made after this date will incur a \$2 per booking late fee.

Email: [parksideoshc@gmail.com](mailto:parksideoshc@gmail.com)

**We cannot accept phone or email bookings without the booking form.**

**Outstanding accounts must be paid in full before Vacation Care bookings will be accepted.**

Please book in early to avoid disappointment, we also request that you do not book days "in case" you need them, only to cancel them at the last moment. In the past this has led to families missing out on much needed care.

Priority will be given to working parents - families requesting respite days will have their days confirmed the week before care.

## FEES & PAYMENTS

Vacation Care Fee: \$57 per day

This fee is inclusive of all incursions.

A \$2, per booking, fee will apply for the following:

- bookings made after 6pm Friday 4<sup>th</sup> December
- bookings made while the program is operating.
- Bookings cancelled during week 9 of the school term

**Bookings cancelled once the program has started will be billed as an absence. i.e. full fees will apply.**

**Please note: If a family has confirmed their child's last day at a service, but that child does not attend their last booked session of care, no Child Care Subsidy will be paid for any days after the child's last physical attendance at the service.**

**C3:it**

### **Payments.**

Eftpos facilities are available in the OSHC office, unfortunately we cannot take over the phone payments.

Direct Deposit – Bank SA BSB: 105 011 Account: 077002140. Please use your child's name as the reference not the invoice number.

Has your child's health or dietary needs changed since we last saw them?  
Please let us know.

### **COVID-19 Update:**

During recent months, Parkside OSHC has made a few changes to routines and procedures to help protect us all against Covid-19. Please take note of the following:

Currently at the time of printing and distributing the Summer Vacation Care Program

- Please do not linger at the service, you may enter the OSHC room to look at the photos of the day's activities, but please keep time spent in the service at a minimum
- While social distancing is no longer enforced in school settings, we are still trying to ensure children and educator safety by providing socially distanced activities and routines. Children are encouraged to use "Zombie arms" when lining up to ensure distance is kept between them and the child in front
- Hand washing procedures ensure children are washing hands thoroughly for the recommended time frame
- Toys are cleaned thoroughly at the end of each day and surfaces are wiped down regularly to help prevent spread of germs and infectious diseases
- If your child has any cold or flu symptoms or you have any health concerns, we request that you please keep them home until symptoms subside

**Head Lice:** To help prevent the spread of head lice we ask that children with hair that reaches their shoulders please wear it up, and that children are treated immediately upon seeing the lice. C4: all If the lice are identified while your child is in care, you will be requested to collect your child immediately.

**Gastroenteritis:** Children will need to be excluded for 24 hours after their last symptom of the virus.

### Medication

On occasions, it is necessary to administer medication to children in vacation care. It is imperative that this practice is carried out accurately and in accordance with licensing regulations.

- All medication must be delivered in the original bottle and handed to an educator on arrival. Please do not leave medication in your child's bag.
- Written permission for educators to administer the medication must be given by parents by completing the details on the medication sheet each day.
- All medication must be prescribed by a medical practitioner and clearly state the medication name, the child's name and the dosage required. This includes over-counter medications, creams and paracetamol.

### Asthma

For children who have been diagnosed as having or being prone to asthma, the centre will request a copy of the child's 'Asthma Action Plan' from their doctor, outlining everyday management and emergency procedures. A new treatment plan will be needed each year.

Educators will have easy and quick access to action plans in case of emergencies. Parents of children with asthma, who are likely to need their medication throughout the day, will need to provide their own prescribed and labelled medication and complete the medication sheet.

For children who have been diagnosed as having an anaphylactic reaction, the centre will request a copy of the child's 'Anaphylaxis Action Plan' from their doctor, outlining everyday management and emergency procedures. A new treatment plan will be needed each year. Educators will have easy and quick access to action plans in case of emergencies. Parents will need to provide their own prescribed and labelled medication.

## Summer 2020/21 Vacation Care Booking form

Please return immediately to secure your child's place.

Christmas:

During the first two weeks of Vacation care we have programmed Christmas art & craft experiences. We are aware that not all our families observe this celebration so if desired an alternative activity will be provided.

Please tick one of the following

- My child can participate in Christmas experiences
- I would prefer my child be provided with an alternative activity

1. I give permission for my child to watch G PG rated movies
2. I give permission for my child to participate in water play.
3. In the event I default in making payment, and recovery action is undertaken, I will be responsible for all expenses in relation to the collection of the outstanding amount including, but not limited to, all charges and fees, legal costs on an indemnity basis, and disbursements.
4. I have read and understood all the information contained and included with the Vacation Care program.

Name: \_\_\_\_\_ Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Dear families, to check if you have read all the above information, you will find 4 code words within the text.

The first 3 families to return their booking form with the correct code will win!
